

# Preserve Your Legacy with A Forest Kids Membership

If your kids and grandchildren like learning about forestry, they'll love being members of Georgia Forestry Association! It's an exciting program for kids ages 10 and under. Educating Georgia's next generation of decision makers is the most important step we can take to safeguard one of our most valuable renewable resources: our forests. The kids will enjoy connecting to our environment by proudly wearing a Forest Kids tee shirt and learning through our educational gift.
